Contents:

Areaware jr. is a collection of playful items, hand-made toys and organic clothing, intended not only for children but also big brothers and sisters, parents, and grandparents.

Areaware is a New York City based company renowned for unique design products with an emphasis on forward thinking technologies and original expression. Our products are decorative but go beyond ornament. Each has an underlying meaning which we believe can deepen the relationship people have with the everyday objects in their lives.

For additional images and information, or to view the entire Areaware collection, please visit our website at www.areaware.com.

Hanno the Wooden Gorilla
Ursa the Wooden Bear
by David Weeks Studio
for Areaware

13 x 6.5 x 4 inches

David Weeks designed these wooden toys to be enjoyed and passed down as enduring classics. They are hand shaped from sustainably harvested beech wood and their elastic cord joints allow for a variety of animated poses.
